What data do we collect?

The Exciting Education website collects the following data:

- Personal and business identification information (Name, email address, phone number, etc.)

How do we collect your data?

You directly provide Exciting Education with most of the data we collect. We collect data and process data when you:

- Contact us online or place an order for any of our products or services.
- Voluntarily complete a customer survey or provide feedback.
- Use or view our website via your browser's cookies.

Exciting Education may also receive your data indirectly from the following sources:

- From your third-party contacts or contacts of our employees who believe we may be able to offer you a service.

How will we use your data?

Exciting Education collects your data so that we can:

- Process your order and provide a service to you.
- Email you with special offers on other products and services we think you might like.

We will not share your data with any other companies.

When Exciting Education processes your order, it may send your data to, and also use the resulting information from, credit reference agencies to prevent fraudulent purchases.

How do we store your data?

Exciting Education securely stores your data using online service providers Microsoft Office, iDrive and Xero accounting software. These services provide industry standard security for clients. Our accounts are password protected and access by employees only.

If your data becomes inactive, Exciting Education will keep your data for up to five years. Once this time period has expired, we will delete your data
